I. PURPOSE AND COMPOSITION OF COMMITTEE

(i) Purpose

The audit committee (the “**Committee**”) has been established by the board of trustees (the “**Board**”) of Plaza Retail REIT (the “**Trust**” or “**Plaza**”) to assist the Board in fulfilling its oversight responsibilities relating to:

- (1) the integrity of the Trust’s financial statements;
- (2) the qualifications and appointment of the external auditor;
- (3) monitoring and evaluating the performance, monitoring the fees and reviewing the independence of the external auditor;
- (4) financial reporting compliance and processes, disclosure controls and procedures, and systems of internal controls;
- (5) identifying and monitoring principal risks that could affect financial reporting and compliance with legal and regulatory requirements with respect to financial reporting matters; and
- (6) performing the additional duties set out in this charter and any other responsibilities that may be delegated from time to time by the Board.

(ii) Composition of Committee

In accordance with the Trust’s declaration of trust (the “**Declaration of Trust**”), the Committee shall consist of not fewer than three (3) members. Each member shall be:

- (1) a trustee of the Trust (individually a “**Trustee**”, collectively the “**Trustees**”);
- (2) independent (within the meaning of National Instrument 52-110, *Audit Committees* (“**NI 52-110**”)); and
- (3) financially literate (as defined in NI 52-110).

(iii) Appointment of Committee Members

The members of the Committee shall be appointed by the Board at the first meeting of the Board following each annual meeting of the unitholders of the Trust and shall hold office until the next annual meeting. If the appointment of members of the Committee is not so made, the Trustees who are then serving as members of the Committee shall continue as members of the Committee until their successors are appointed. Any member of the Committee may be removed and replaced at any time by the Board.

Where a vacancy occurs at any time in the membership of the Committee, it may be filled by the Board by appointment from among its members. Until the vacancy is so filled, the remaining Committee members shall exercise all powers of the Committee so long as a quorum remains in office.

(iv) Appointment of Committee Chair

Each year, the Board shall appoint a Chair of the Committee from among the members of the Committee. The Chair of the Committee shall be appointed at the first meeting of the Board

following each annual meeting of unitholders, to continue in office until the next annual meeting. If, in any year, the Board does not appoint a Chair, the incumbent Chair shall continue in office until a successor is appointed.

II. COMMITTEE PROCEDURE

(i) Meetings and In-Camera Sessions

The Committee will meet as often as necessary to fulfill its responsibilities, provided that the Committee shall meet at least quarterly. Committee members will also meet *in-camera*, without any members of management present, on a quarterly basis or as frequently as the Committee feels is appropriate or necessary to fulfill its responsibilities. Similarly, the Committee will meet *in-camera* with management as it feels is appropriate or necessary.

The Chair, any member of the Committee, the external auditor, the Chief Financial Officer, the Chair of the Board, the Vice-Chair of the Board (if any), the Chief Operating Officer or the President & Chief Executive Officer may call a special meeting of the Committee.

The Chair will preside as chair of each meeting of the Committee. Should the Chair be absent at any meeting of the Committee, one of the other members of the Committee present at the meeting shall be chosen to preside at the meeting.

The General Counsel & Secretary of the Trust ("**General Counsel**") shall act as secretary of the Committee and shall record and maintain minutes of each Committee meeting.

(ii) Quorum

In accordance with the Declaration of Trust, a majority of the members of the Committee, present in person or by telephone, videoconferencing or other communication facilities that permit all persons participating in the meeting to speak to each other, shall constitute a quorum.

(iii) Notice of Meetings

Regular meetings (which are contained in and scheduled per the meeting calendar for Committee meetings circulated on an annual basis) may be held without call or notice at a time and place fixed in accordance with the Declaration of Trust. Notice of the time and place of any other meetings shall be emailed, mailed or otherwise verbally, by telephone or by other means of communication, given not less than forty-eight (48) hours before the meeting but may be waived in writing by any Committee member either before or after such meeting. Notice of such meeting need not specify the purpose of or the business to be transacted at the meeting. The attendance of a Committee member at a meeting, in person, by telephone or electronic means, shall constitute a waiver of notice of such meeting except where a Committee member attends a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting has not been lawfully called or convened.

(iv) Agenda

The Chair, in conjunction with the General Counsel, will develop and set the Committee's agenda to ensure that all appropriate matters are brought forward to the Committee. The Chair may

consult with other members of the Committee and other members of senior management, as necessary. The agenda and information concerning the business to be conducted at each Committee meeting shall, to the extent practical, be communicated to the members of the Committee sufficiently in advance of each meeting to permit meaningful review.

(v) Delegation

The Committee shall have the power to delegate its authority and duties to individual members of the Committee as it deems appropriate.

(vi) Access to Information

The Committee will have access to all books, records and information relating to the Trust which it deems relevant to the performance of its duties.

(vii) Attendance of Management at Meetings

The Chair of the Committee will co-ordinate with the General Counsel to ensure that all appropriate members of senior management are available to present to the Committee and address any matters the Committee determines necessary. Without limiting the generality of the forgoing, the President & Chief Executive Officer, the Chief Operating Officer, the Chief Financial Officer and the Executive Vice-President will be required to attend each meeting of the Committee.

(viii) Meeting Procedures and Maintaining Records

The Committee may adopt its own rules or procedures for meetings provided they are not inconsistent with the Declaration of Trust, and shall keep records of its proceedings. Without limiting the generality of the forgoing, such procedures will include the Chair of the Committee asking Committee members at each meeting if they have any actual, potential or apparent conflicts of interest to declare.

(ix) Retention of Outside Consultants or Advisors

The Committee, when it considers it necessary or advisable, may retain at the Trust's expense, independent counsel, outside consultants or other advisors to assist or advise the Committee independently on any matter within its mandate. The Committee shall have the sole authority to retain or terminate such consultants or advisors, including the sole authority to approve the fees and other retention terms for such persons. The Committee shall inform the Chair of the Board of the retention of a consultant or advisor, as appropriate.

III. MANDATE OF COMMITTEE

The Committee shall have the responsibilities set out below, as well as any others that are delegated to the Committee by the Board:

The receipt procedures of such aforementioned complaints will allow for the confidential, anonymous submission by employees of the Trust or others directly to the Chair or other members of the Committee. The Committee will cause the receipt procedure to be tested at least annually.

The Committee may, at its discretion, refer to the Trust's Governance & Compensation Committee for its consideration, advice and recommendations on any matter relating to complaints received under the Code that the Committee deems appropriate.

Oversight of External Auditor

(iv) Appointment and Oversight of the External Auditor

The Committee shall recommend to the Board the appointment or reappointment, as the case may be, of the external auditor for purposes of preparing or issuing any audit report or performing other audit, review or attest services for the Trust, such appointment to be made by the Trust's unitholders at each annual meeting. If a change of the external auditor is proposed, the Committee shall review all issues related to the change, including the information to be included in the notice of change of auditor required, and the orderly transition of such change.

The Committee is responsible for the oversight of the work of the external auditor for purposes of preparing or issuing an audit report or performing other audit, non-audit, review, or attest services for the Trust, including the resolution of any disagreements between management and the external auditor regarding financial reporting.

(v) Communications with the External Auditor

On behalf of the Board, the Committee will establish and maintain a direct reporting relationship with the external auditor. The Committee shall hold *in-camera* meetings with the external auditor as frequently as the Committee feels is appropriate for the Committee to fulfil its responsibilities (which shall not be less frequently than quarterly) and to discuss any concerns of the Committee, including any which may have been brought forward by management, or the auditor.

(vi) Review of Material Communications between External Auditor and Management

Following completion of the annual audit, the Committee will review with each of management and the external auditor any significant issues or difficulties encountered during the course of the audit, including any unresolved issues, and management's response thereto.

(vii) Review Independence of Auditor

The Committee shall review the independence of the external auditor at least annually. This will include (i) confirming that the external auditor has communicated to the Trust in writing all relationships with the Trust which, in the auditor's professional judgment, may reasonably be thought to bear on its independence, considering rules and interpretations prescribed by relevant professional bodies and any applicable legislation or regulation; (ii) discussing with the external auditor any disclosed relationships or services that may affect its objectivity and independence in fact or in appearance; (iii) confirming that the external auditor has communicated safeguards that have been applied to eliminate any identified threats to independence or to reduce them to an acceptable level; and (iv) obtaining written confirmation from the external auditor that it is independent within the meaning of applicable rules of professional conduct and relevant ethical requirements.

Any significant changes to the initial audit plan, scope of work or other matters shall also be approved by the Committee.

The Committee shall take such other reasonable steps as it may deem necessary to satisfy itself that the annual audit and quarterly reviews are conducted in a manner consistent with all applicable legal requirements and standards of applicable professional or regulatory bodies.

(xi) Approve Audit Fees

The Committee shall review the appropriateness and reasonableness of the proposed fees to be paid to the external auditor for audit services and approve, and recommend the fees to the Board for its consideration and approval, on an annual basis.

(xii) Pre-Approval of Non-Audit Services

The Committee has adopted a Pre-Approval Policy, which sets forth the parameters by which the external auditor can provide certain non-audit services to the Trust not prohibited by law or deemed inconsistent with the auditor's independence. The Committee shall pre-approve non-audit services to be provided to the Trust or its subsidiary entities by the external auditor or specifically approve each engagement for such services in accordance with the terms of the Pre-Approval Policy. The Committee will be informed on a quarterly basis of the pre-approved non-audit services for which the external auditor has been engaged in accordance with the said Policy.

The Committee will review and approve the Pre-Approval Policy on at least an annual basis.

(xiii) Employees of the External Auditor

Accordingly, the Committee shall review and approve no less than annually the Trust's Disclosure Policy and recommend any suggested changes to the Board for its consideration and approval. The Committee shall also receive quarterly reports from the Trust's Disclosure Committee with respect to the Trust's disclosure controls and procedures, including approvals in accordance with the Disclosure Policy.

The Committee will also oversee the adequacy of the Trust's financial reporting processes and internal controls to safeguard assets from loss and unauthorized use and to verify the accuracy of financial records. This shall include receiving confirmation from management on at least an annual basis of whether there have been any significant changes to the Trust's internal control systems.
